
Plan Changes after Contracts Turn-In

Design Manual

Chapter 1

General Information

Originally Issued: 05-23-07

Revised: 02-09-21

Plan Changes

Refer to Contracts and Specifications Bureau's [Plan Changes and Addendums](#).

Addenda

Refer to Contracts and Specifications Bureau's [Plan Changes and Addendums](#) to determine if an addendum is required and how to do an addendum.

In addition to the link instructions, do the following:

- When producing updated PDF sheets for an ADDENDUM, add the Addendum red box in the lower righthand corner (see Section [21M-61](#)).
- If the designer of the affected sheets is not the Contracts Plan Submitter, copy the Contracts Plan Submitter when submitting an addendum to the Contracts Proposal Engineers.
- After each plan change or addenda, update the complete current plans in the folder below:
PWMain\Documents\Projects\Project_Directory\Design\{(Section#) (if it exists)_(Paren#)_WorkType\Design Events\D6thru9\ _Contract ID #_Complete_Current_Plan_(PDFs)

Chronology of Changes to Design Manual Section: 001H-002 Plan Changes after Contracts Turn-In

2/9/2021	Revised Added information to let designers know to update plans after submitting changes or addenda.
9/24/2020	Revised Rewrite to reference Contracts and Specification Bureau guidance.
