

This plan illustrates construction details for field fence and deer fence termination at bridges.

Fence termination at bridges as detailed hereon shall not be paid for separately but shall be included with and considered incidental to the bid item "Field Fence" or "Deer Fence".

- ① Position post so distance between post and bridge rail does not exceed 3".
- ② Volume of concrete encasement is 1.5 cu. feet, or approximately four 50lb. bags of commercial concrete mix.
