

WELCOME TO IOWA! Our state offers a rich variety of destinations easy to reach by country roads or city streets, scenic byways or superhighways. You'll be captivated by the heritage that's preserved and revealed at our many historic landmarks and museums, inspired by the performing and visual arts that abound at festivals and concerts throughout the state, and embraced by the warm and friendly people who live in our state's vibrant communities.

If you travel along Iowa's interstate highways in 2006, you'll be making some history of your own. In 2006, the nation will commemorate the 50th anniversary of the Interstate Highway System. Iowa lies at the intersection of two coast-to-coast, border-to-border interstates, which offer easy access and smooth traveling for millions of travelers each year. Iowa's communities will be joining the national celebration to recognize the impact of the nation's national highway network.

Let us point you in a new direction — toward spending a day, a weekend or a lifetime discovering how time spent in Iowa can be life-changing.
