

Parking Products for People with Disabilities

We are committed to promoting accessibility, safety, and mobility for all Iowans.

The following product options are available to individuals with qualifying disabilities.

PRODUCTS FOR PEOPLE WITH DISABILITIES:

5-year permanent

6-mo. temporary

Removable Windshield Placards

- For individuals with a temporary (6-month) or permanent (5-year) disability.
- Organizations that transport people with disabilities can apply for an organization placard.

License Plates

- For a vehicle owner with a permanent disability.
- May also be issued to a parent/guardian of a child with a disability if they live together.

License Plate Stickers

- For a vehicle owner with a permanent disability who does not want a people with disabilities license plate.
- Applies to any regular, special, or personalized plate (placed on rear plate's lower-right corner).
- Issued to an individual – Not transferable to spouses or others.
- One sticker per vehicle – Placed on rear plate only.
- **Stays valid – As long as the vehicle remains continuously registered.**
- People with disabilities parking space use. Others may use the space if they display their own placard.
- **You can have a Standard Removable Windshield Placard in addition to your sticker.**

Benefits of getting a Placard in addition to the License Plate Sticker:

- Use people with disabilities parking in other vehicles with placard.
- Out-of-state parking privileges.
- Serves as a backup if your sticker is lost or damaged.
