Inspection Checklist

FOR TESTING

This document contains all the items you will be required to inspect based on the type of vehicle you're testing for.

You may use this checklist for your test, and check off items as you have completed them or use it as a visual reference.

No additional markings or writing may be placed on this paper.

To get credit for the inspection item(s), you must:

- Name,
- Point to and/or touch, and
- Fully explain what you are inspecting each critical safety item for.
