

Update a Bid Estimate MW

This chapter will cover Updating a Bid Estimate for your project.

When updating an existing estimate, select the estimate you want to update and select Edit at the top of the screen.

The Task and Description can also be updated or changed if necessary.

With the estimate updated you are ready to Add, Edit or Delete containers.
(See chapter [5.2.1.2 Add, Edit, and Delete Containers](#))

Chronology of Changes to Manual Section:

5.2.1.1.5 Update a Bid Estimate MW
